GENERAL INFORMATION

CAGGTUS 2026 is getting closer and closer, and so is our beloved LAN party. So that you are perfectly prepared, you can find some important information and a checklist here! Everything else can be found on our website in the LAN-FAQ under the following link: https://www.caggtus.de/en/lan-area/.

Please also respect the general terms and conditions as well as the house rules of Leipziger Messe, during your stay on the exhibition grounds. You can find those here.

Any form of discrimination is prohibited during the event and can end with immediate referral. See also the Code of Conduct.

SECURITY NOTE

You are completely responsible for the safety of your items (e.g. gaming chairs, hardware or personal items). Please bring enough cable ties, safety locks or similar and secure your hardware. Always carry small valuables with you when you leave your seat or ask your friends or neighbors to keep an eye on your belongings. You can also use one of the lockers that are available on site.

Never leave your cell phone or wallet in plain sight.

THESE THINGS ARE ALREADY ON-SITE

To make yourself as comfortable as possible, we have already prepared some things for you. These include ovens, microwaves, kettles and a kitchen area with water connection.

In addition to the table area of 90x80cm and a conference chair the **Beginner and Expert LAN Seats** will be equipped with a LAN-Cable, electrical connection without distribution boards and garbage bags. All Expert LAN Seats also include a guaranteed Goodie Bag.

Our **Legend LAN Seats** contain a PC, periphery, a gaming chair as well as a guaranteed goodie bag.

THESE OBJECTS ARE NOT PERMITTED TO BRING WITH

Among other things, you can find all important information about access regulations, the use of electricity and internet as well as security restrictions on the LAN, in our special conditions of participation.

We know, that you would love to bring some items of your own with you, but these are not allowed:

armchairs	couches	toaster	microwaves	pizza ovens	kettles	coffee machines
fridges	beer pumps	headlights	deep fryers	slush machines	heating elements	tents
